## What Educators are saying...

"If everyone believed in themselves like Sunny, the world would be a wonderful place. Also with the stress and problems in children's lives Sunny's programs & books gives them permission to dream, live and be who they want to be and teaches them about respect, character values and the importance of learning in school."

*Tom Huston principal of 7th St. School, Oil City, Pa.*

"Awesome program the students and teachers really enjoyed it and learned from the important messages. Sunny puts her positive spirit in the messages that she sends out in her programs and books to always be respectful, believe in yourself and follow your heart."

*Sylvia Lukasiak principal of Hasson Heighths School, Oil City, Pa.*
